

# Shepherd

*Claire x Aardvark*

- **New group 3 biscuit wheat - a rare breed**
- 1st wheat yields as Robigus (103) without the disease worries
- Excellent 2nd wheat yields
- High untreated yields
- **Solid scores for ALL diseases, especially Tritici and Brown Rust**
- Stiff straw - as Robigus

We are introducing **shepherd** when there is a dearth of Group 3 wheats prompting **significant premiums** from buyers.

## **Yield**

	<b>1st Wheat</b>	<b>2nd Wheat</b>	<b>Untreated</b>
Shepherd	103	103	113
Robigus	103	100	99
Claire	100	99	99
Consort	99	103	90
Einstein (GR2)	105	103	113

## Market

- **Shepherd** tested by 3 master biscuit mills and meets all Group 3 criteria
- Good specific weight, as Robigus
- Good Hagbergs, better than Robigus

	Mildew	YR	BR	Tritici
Shepherd	6	7	9	7
Zebedee	6	9	4	5
Robigus	7	3	9	6
Claire	4	9	5	6
Consort	6	6	3	4

## Stiffness

- 7 rating, as Robigus

## Rotation, Soil and Sowing

- High yields as 1st or 2nd wheat
- For all soil types, but particularly, high fertile sights
- Sow mid Sept onwards (as Robigus)
